Varn[®] Natural Wash

OEM-Approved, Low-VOC, Economical Wash

Press Wash: Blanket & Roller Wash

Varn[®] Natural Wash is an economical, environmentally friendly product for use in automatic washing systems. The wash, manufactured from highly refined chemical solvents and vegetable-based cleaners, uses the latest technology to comply with strict original equipment manufacturers' specifications. Varn[®] Natural Wash is plate-safe even on unbaked positive plates and the latest CtP material and helps prevent corrosion on-press.

Advantages of Varn[®] Natural Wash

- Environmentally friendly and safe to use
- Cost effective: enables lower consumption and reduces web breaks
- Excellent blanket-release properties
- OEM approved by manroland, Heidelberg, KBA and Baldwin
- Recommended for automatic blanket washing equipment
- Aiii classification
- High-ink-solvency, water-miscible wash

HEATSET.
