Duco® UV Sticky Back

Sticky backed form printing blanket for UV inks

For narrow web and specialist UV printing applications

Product Features

- Duco® UV Sticky Back provides exceptional ink transfer and chemical resistance to most UV curing inks.
- The strong two ply fabric construction provides easy removal without risk of tearing.
- The specially formulated adhesive layer ensures total stability, and leaves no residue on the press cylinder, and the paper release material makes for easier blanket handling whilst providing extra rigidity when mounting.

Advantages of Duco® UV Sticky Back

- Exceptional ink transfer.
- Maximum resistance to UV chemistry.
- Strong adhesive performance.
