dayGraphica[®] 8897 Newsprinter

Breeze through demanding press runs

Printing Blankets: Offset - Packed

The 8897's specially designed durable carcass and superior print surface makes the rigorous demands of a newspaper pressroom like a walk in the park. This means longer blanket life, less down time and better printing quality on press. All of those pluses equate to higher productivity, lower operating costs, maximum profitability and no missed deadlines. Use the 8897 for great press runs on double or single width presses.
