

## **Sentry<sup>®</sup> Range – A combination of ink technologies individually chosen and formulated to satisfy Tobacco packaging specifications**

**Sentry<sup>®</sup>** is a worldwide brand of products including inks, whites, lacquers & primers especially designed for the tobacco packaging industry.

**Sentry<sup>®</sup>** cover a wide range of resin types, and selected products are suitable for both solvent and water based flexographic and gravure applications.

**Sentry<sup>®</sup>** products are specially designed to fulfil the high requirements of tobacco packaging, and are based on strictly controlled ingredients which meet the regulatory requirements of this market.

**Sentry<sup>®</sup>** products provide optimum performance levels and cover all fields of tobacco packaging.

**Sentry<sup>®</sup>** products are available both as modern building block technology based systems and spot colours.

# Sentry® Range

- Performance** High speed, multifunctional products on various substrates, low odour, low solvent retention, very good resistance properties, easy handling.
- Properties** Optimised for the specialist application of the particular series. The formulation potential can give a wide range of desired properties, whilst maintaining strict control of the technical and toxicological aspects required.
- Optimisation** The use of a toolbox or pallet approach will optimise the print process and ink management aspects.

INK CONCENTRATES	
<b>Sentry®Base</b>	Special range of solvent based ink concentrates
<b>Sentry®Oeko</b>	Special range of water based ink concentrates
PAPER & BOARD	HLB, SOFTPACK, CARTON & PAPER OUTER WRAP
<b>Sentry®Box</b>	Solvent based ink system
<b>Sentry®Pack</b>	Water based ink system
<b>Sentry®Coat</b>	Solvent based and water based lacquer system
TIPPING	
<b>Sentry®Tip</b>	Solvent based inks – DTVO and non DTVO formulations
OPP FILM OUTER WRAP	
<b>Sentry®Film</b>	Solvent based ink system
INNER LINER	ALUMINIUM FOIL AND METALLISED SUBSTRATES
<b>Sentry®Line</b>	Solvent based and water based lacquer system
<b>Sentry®Dye</b>	Dye based inks
