

Rely on us.™

Let's colour our world together...

FlintGroup

Rely on us.™

“The passion and commitment of our people remain a key driving force to our success.”

Antoine Fady
CEO - Flint Group

One Team. One Vision. One Flint Group.

Today, Flint Group has more to offer than ever before. We provide printers, publishers, packaging printers and converters with the most reliable products and deliver them in the most streamlined fashion.

Our vision, strategic objectives and core values constructed from our Mission and Guiding Principles are closely integrated in all of our policies, procedures, decision-making processes and operations, while our “can-do” attitude and continuous improvement methods continue to make us the company we are today. The printing and packaging industries are dynamic, challenging and exciting. We expect nothing less of ourselves than to remain at the forefront, continually able to provide customers with a competitive advantage.

-

Mission

At Flint Group, our mission is to be the best performing supplier to the printing and packaging industries, as measured by our customers, shareholders, and employees through our ability to deliver exceptional value, consistent quality and continuous innovation to customers around the world.

Guiding Principles

- Our Customers are the focus of everything we do.
- Every Employee contributes to our success.
- Integrity shall never be compromised.
- Continuous Improvement drives performance and supports our aspiration to achieve excellence.
- We recognise that Leadership and Teamwork are prerequisites to achieving our goals.

Delivering on our promises!

Flint Group is a recognised leader in the packaging and printing industries through constant focus on our Guiding Principles; the basis of everything we do.

Our mission helps us to coordinate and align our activities by giving everyone a clear perspective of who we are as an organisation. Our employees are dedicated to our customers, and focused on providing consistent quality and unprecedented service. We work ethically together across geographies and business segments, always striving to improve and deliver best-in-class products. Together, we achieve our goals.

Rely on us to deliver safety, sustainability, integrity and compliance.

“With Flint Group products in your pressroom, you can run your business with confidence and peace of mind.”

Wim Maes

President Flint Group Digital Products Division

“Flint Group’s colour solutions help you consistently meet your customers’ needs.”

Marzena Szymanska
Laboratory Colourist,
Global Colour Centre

Managing your colour is our passion...

At Flint Group, we understand that your business is constant. That is why we established our Global Colour Centre, to provide effective 24-hour Colour Management services via an electronic communication platform from a centralised location to Flint Group customers around the globe.

Flint Group's Global Colour Centre gives packaging converters the ability to control and achieve their colour specification from a managed central platform providing real time, communication and consistency advantages to customers. With an innovative database containing thousands of standard and custom recipes you can rely on us to help you consistently meet your customer's needs in any region around the globe.

55,000

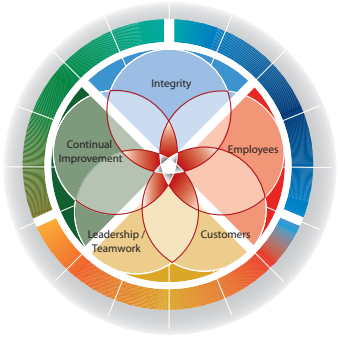

Recipes in the database

+20,000

Recipes delivered to customers annually...

24/7

access to database...

Flint Group's Sustainability Statement and Reporting Model

Flint Group's approach to continuously improve sustainability is underpinned by our own Mission and Guiding Principles – a fundamental set of simple, clear values.

Flint Group operates within the spirit of the UN Global Compact for sustainability. Every day our people and teams are committed to providing increased health, safety and wellbeing whilst a continuous improvement programme is in place to reduce our current environmental impact now and for future generations. An uncompromising integrity policy and strong ethical values set by our own Guiding Principles ensure that you can truly Rely on us for sustainable development...

Rely on us to do the right thing...

Sustainability shapes the way we conduct our business and interact with all our stakeholders – customers, colleagues, shareholders, suppliers and the communities in which we operate. Through an uncompromising integrity policy and strong ethical values rooted in our own Mission and Guiding Principles, our customers can rely on us for continuous sustainable development.

Every day, our teams are committed to conducting business in ways that improves the health, safety and wellbeing of those who make and use Flint Group's products - while our continuous improvement programme governs our environmental impact now and into the future.

“We continually look to reduce the impact on the environment... now and for future generations.”
