davidM[®] QL Blue

Economy in a variety of applications

For high speed sheetfed presses

Product Features

- davidM[®] QL Blue has been designed to meet today's demands for high performance on sheetfed applications.
- It's compatible with today's ever-changing pressroom chemistries and the carefully blended polymer surface gives you quick release, good ink affinity and resiliency.
- The precision buffed surface provides a micro-textured profile that enhances sheet release and ink transfer. This solvent-resistant compound provides a stable base which resists changes in hardness or thickness which can occur as a result of solvent attack.

Advantages of davidM[®] QL Blue

- Durable, high density carcass.
- Excellent rebound characteristics.

FlintGroup

davidM[®] QL Blue

Features	Benefits
<ul style="list-style-type: none">• Precision buffed surface.	<ul style="list-style-type: none">• Enhances sheet release and ink transfer.• Permits much greater gauge control.
<ul style="list-style-type: none">• Blended polymer surface with a microcellular compressible base.	<ul style="list-style-type: none">• Enables blanket to have quick release, good ink affinity and resiliency.
<ul style="list-style-type: none">• Unique fabric construction.	<ul style="list-style-type: none">• Less susceptible to smashing and sinking due to over-tightening or excessive tension.
<ul style="list-style-type: none">• Solvent resistant surface.	<ul style="list-style-type: none">• Provides stable base which resists changes in hardness or thickness from high KB inks or harsh blanket washes.

Colour	Blue
Face compound	Solvent resistant rubber blend
Surface finish	Ground – Ra 0.5µm Typical
Thickness	1.96mm
Microhardness	62°
Compressibility	0.13mm @ 1060 kPa Typical / 0.19mm @ 2060 kPa Typical
Elongation	<0.70% @ 10 N/mm
Tensile strength	>60 N/mm
Ink compatibility	Conventional Sheetfed inks

More products. Streamlined access. Greater results.

Flint Group's Print Media division offers a uniquely powerful combination of products, services and expertise; giving you access to the industry's broadest range of pressroom products.

Inks and Coatings. Pressroom Chemicals. Blankets. Sleeves. Consumables.

Rely on us for consistency, reliability and customer focus. Our aim is to make it easier for you to achieve your business goals. With Flint Group products in your pressroom, you can run your business with confidence and peace of mind.

You are welcome to contact us for further information.
