

Varn Small Press Wash

Roller and blanket wash

Varn Small Press Wash is a special faster drying roller and blanket wash formulated for the cleaning of offset duplicators and small offset presses. Its high ink solvency gives a quick deep-down clean wash-up without damage to rubber rollers or blankets. Wash-up time is reduced to a minimum. There is no waiting for the blankets to dry, no greasy residue nor offensive odour.

Varn Small Press Wash is highly effective when used with automatic blanket washing devices as well as automatic roller wash-up systems.

Features	Advantages	Benefits	Product Benefits
Fast drying.	Faster, cleaner start-ups.	Reduced waste.	<ul style="list-style-type: none"> • Fast drying for quick wash up. • Low odour. • Deep cleans with a single application. • Can be used with wash up attachment or by hand. • Non water miscible. • Aromatic free.
