Varn® UniVersal Plate Cleaner

Plate Cleaner And More for UV, HUV, LED & Conventional Printing

Varn® Specialty Chemical: Plate Care - All Applications

With Varn® UniVersal Plate Cleaner in your pressroom, you can take care of multiple needs with just one product:

- Maintain clean and healthy plates for all major print applications and technologies, including UV, HUV, LED, and conventional. The product cleans the image and non-image areas of the plate, removes scratches, and preserves the plate for longer life.
- Desensitize your chrome rollers
- Use as an acidic cleaner

Advantages of Varn® UniVersal Plate Cleaner

- Removes ink and debris from a plate quickly
- Cleans and restores plates without removing the image
- Compatible with both baked and unbaked printing plates
- Greatly reduces time to clean and protect plates through its easy application
- More than just a plate cleaner; has multiple uses in the pressroom
