Product code

KV60-0EAG-#### (final 4 digits relate to pack size).

Pack sizes

1 litre (DKAF), 10 litres (DKF9), 20 litres (DKH5) and 200 litres (DKN1).

Application

Apply Varn® Enviroflex Adhesive Cleaner with a sponge, cloth, brush, pad or spray applicator. Allow the product to remain for a few seconds. Scrub the affected area (the Varn® Enviroflex Pad is recommended for superior results). Remove residue with a clean cloth.

For general purpose cleaning applications and deep cleaning procedures, use Varn® Enviroflex Adhesive Cleaner undiluted. We recommend testing on a small area for compatibility before use.

For optimum performance, use in conjunction with Varn's Enviroflex maintenance systems.

Caution: If used incorrectly Varn® Enviroflex Adhesive Cleaner may swell rubber compounds.

More products. Streamlined access. Greater results.
